Celebrate Week of the Young Child with us!

The Week of April 7th – 11th

You are invited to sing, dance, cook, and be a kid again in our fun-filled week where you can see first-hand how children benefit from our best-in-class curriculum led by the top teachers in the industry.

Music Monday

Little musicians explore rhythm and self-expression

Tasty Tuesday

A culinary adventure for young learners

Work Together Wednesday

Bringing big ideas to life through teamwork

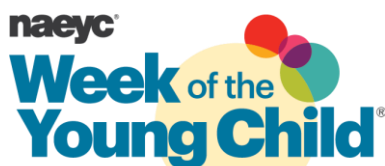

Artsy Thursday

Hands-on, creative art activities to spark imagination

Family Friday

A special celebration of our families and school community

If you think your child would enjoy participating in one of these activities, contact us [here](#) to schedule your visit!

**Week of the Young Child is an annual event hosted by the National Association for the Education of Young Children that highlights the importance of early childhood education.*
